Tomo Kids Program

-Children aged 5 and under-

Welcome to Tomo Safari Lodge, where we offer a wide range of exciting activities for kids with our new exciting "Tomo Bumble" program and much more!

Introducing the "Tomo Bumble":

Our "Tomo Bumble" program is designed to provide children who are too young to join on game drive with a fun and educational experience during their stay at Tomo Safari Lodge.

On these kiddies drives things of interest to children are pointed out, e.g. toothbrush plants, beetles, plains game etc. The Bumble safari is much shorter for the children, avoiding deliberate close encounters with dangerous game and making the experience more tactile and varied in order to keep their attention.

The information on the drive is aimed at the age/s of the children on the drive. The "Tomo Bumble" is included in the children's special rate. The drive is done by our highly qualified guides and is conducted after breakfast for about an hour.

Other special things that we organize for our littler guests are:

- Mini Guide Certificate awarded at the end of their stay by their Guide.
- Child friendly sightings and activity book
- Nightly bed time story left on their pillow of African Folklore tails
